## A Beautiful Logo - A Brilliant Marketing Tool

We would like to congratulate The Prospect Early Learning Centre for their brilliant logo design, with so many lovely colours and crisp imagery. When we ran the logo on our machines the whole team at Marino Uniforms commented on how outstanding it looked on the garments. From a pure marketing perspective, they have "nailed" both the colourful design and wording with their KEEP IT SIMPLE philosophy.

Some of our other customers have also used their logos as an exceptional marketing and branding tool. It can be a good idea to use a professional graphic artist or a marketing agency who should be able to help enhance your ideas. I'm sure we can all agree that at the moment in this current economic climate, from an advertising point of view, businesses need to get their name out there anyway they can.

Having a great logo on your uniform is a good way to start !

Marino Uniforms is South Australian Owned and Operated. Thank you for supporting local business.
