## Crowded Shoreline At “Head Of The River”

This year Marino Uniforms were invited to assist with merchandise at the very prestigious and competitive “Head Of The River” rowing event at West Lakes, where we supplied sublimated drink bottles, caps, towels and visors.

Large crowds and pleasant weather ensured good sales of these items on the day. The Head Of The River event is a major highlight on every rowing school program, with long held rivalries between schools that go back many years. Although this year, it was all very much “text Book” for our customers at Scotch College who seemed to take out all the major events.

Congratulations to Max Bowering (son of Marino Uniforms Director, Simon), along with his year 10A Boys Unley High School crew who came 2nd in their race. After their Head of the River achievement, the team boarded a plane to Sydney where they competed in the Australian National Championships held in Penrith, representing Unley High School and making the U17 Mens Finals!

Marino Uniforms is South Australian Owned and Operated. Thank you for supporting local business.
