RSL Care SA - Celebrating 100 Years of Care

We recently enjoyed a cocktail event for RSL Care SA at The Naval, Military and Air Force Club in Hutt Street to celebrate 100 years of caring for veterans and the ex-service community of South Australia. We were treated to some very entertaining and enlightening speeches that covered their 100 year history. A highlight was also the unveiling their new logo (left). with colours that represent elements of the forces- navy, scarlett and sky, and incorporating a stylized overlay of the rising sun. The evening was a resounding success and we were thrilled to be invited and chat with some of the people who work tirelessly for our ex-service and veteran community who are often in need of assistance when they come home. Congratulations to everyone from RSL Care SA and all those who were involved in the evening.
